### Make the blink of an eye a great moment

- > 8.1 Megapixel resolution for images of optimal photographic quality – and for outstanding cropped enlargements and posters.
- > PENTAX zoom lens with high-quality optical glass lens, 3 aspherical lens elements, with 3X optical and 4X digital zoom.
- > Video function recorded in 640x480 resolution at 30fps and video with sound at 15fps.
- > Automatic Face Recognition for perfectly exposed and focused people shots.
- > Good pictures should be a snap with a modern camera but many pictures still fail due to blurring. With digital Shake Reduction great shots can be had even under poor lighting conditions.
- > Particularly good battery management enables up to 250 shots with one set of AA batteries.
- > 16 shot series - continuous shooting mode can record up to 16 consecutive images (640x480 resolution) in a 2-second burst. The perfect solution to analysing high-speed sports.
- > The wider the picture angle the more exciting the picture. The Optio E50 combines 3 shots into a perfect panorama.
